REVOCATION AND NEW POWER OF ATTORNEY

Under 37 CFR §3.73(b), Board of Regents of the University of Nebraska, a University, certifies that it is the assignee of 100% of the right, title and interest in the patent application identified above by virtue of Assignment documents recorded with the U.S. Patent and Trademark Office at Reel 018196, Frame 0486 on August 31, 2006.

The undersigned, whose title is supplied below, is empowered to act on behalf of the assignee. The undersigned has reviewed all the documents in the chain of title of the above-identified patent application and, to the best of undersigned's knowledge and belief, title is with the assignee identified above. The undersigned, acting on behalf of the assignee, hereby revokes all powers of attorney previously granted in the application and appoints the Attorneys and Agents associated with Customer Number 26191 with full power of substitution and revocation, to prosecute the application and to transact all business in the U.S. Patent and Trademark Office connected therewith. All correspondence regarding the application should be sent to Customer Number 26191.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patents issued thereon.

Respectfully submitted,
